**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I feel that by granting this petition you will effectively cut off the free market system that stops large corporations from establishing monopolies, and billing customers out of their hard earned money. Competition is necessary to keep a level playing field for all, to keep the consumer from being screwed by big business as usual in this country

Thanks
